

Love Addiction

collezione primavera-estate 2006

Amore, il cuore batte per te!

Passione della moda, culto delle tendenze o, semplicemente, amore della vita... è questo lo spirito che anima B&C. Per noi non c'è creazione senza emozione, né azione senza sentimenti. Ogni nuova collezione è una "love story".

Per presentarvi i nostri ultimi colpi di fulmine abbiamo scelto lo scenario di una metropoli ardente, una città-creazione risolutamente all'avanguardia, una città-fashion che impazzisce per la moda: **Anversa, con una A maiuscola come Amore.**

Qui, tra bar e boutique, moli e stradine, zoo e gallerie commerciali, si sente pulsare un'energia positiva che ha illuminato ogni singola foto di questo catalogo.

Anche in noi, nel nostro lavoro e nel rapporto che abbiamo con voi, palpita la passione. La passione di essere al vostro servizio con un cuore grande così. E di stupirvi con collezioni sempre più irresistibili. **We ♥ you**
